

New call for papers

-Extended deadline for submissions-

<https://faere2022.sciencesconf.org>

Presentation

The 9th FAERE (French Association of Environmental and Resource Economists) annual conference will be held from **September the 8th to September the 9th 2022**. The conference is organized by the LERN (Laboratoire d'Economie Rouen Normandie) at Rouen Normandie University (Pasteur building).

The aim of these FAERE annual conferences is to favor and support both the production and diffusion of researches in environmental economics at national and international levels. All theoretical as well as empirical articles in the field of biodiversity, fisheries, agriculture, forest management, water management, energy, climate, pollution, health, sustainable development or bio-economics (non-exhaustive list) are welcome.

Keynote speakers

- ▶ **Marc Fleurbaey** (Paris School of Economics, CNRS)
- ▶ **Stephane Hess** (University of Leeds and Delft University of Technology)

Submission and New key dates

During the 9th annual conference, the FAERE prize of **the best article by a young economist in the field of environmental economics** will be awarded. For more details, please visit the website of the FAERE.

You are invited to submit your article on the conference website: <https://faere2022.sciencesconf.org>

- ▶ **Submission deadline: April 29st 2022**
- ▶ Acceptance notification: **May 27st 2022**
- ▶ Registration deadline: **July 1st 2022**

Local organization and scientific committee

Local organizers: O. Beaumais (LERN, Université Rouen Normandie) et N. Raffin (LERN, Université Rouen Normandie).

Scientific committee:

- ▶ O. Beaumais (LERN, URN)
- ▶ A. Boutabba (EPEE, Université Evry)
- ▶ M-L. Cabon-Dhersin (LERN, URN)
- ▶ R. Congar (LERN, URN)
- ▶ J. De Beir (EPEE, Université Evry)
- ▶ M. Fodha (PSE, Université Paris 1)
- ▶ J. Jacqmin (NEOMA Business School)
- ▶ P. Koenig (LERN, URN)
- ▶ G. Lafforgue (Toulouse Business School)
- ▶ H. Maisonnave (EDEHN, Université Le Havre)
- ▶ N. Raffin (LERN, URN)
- ▶ F. Ricci (CEEM, Université Montpellier)
